

2008-2009 STUDENT VERIFICATION WORKSHEET - INDEPENDENT

Federal Student Aid Programs

Your application was selected for review in a process called "Verification." In this process your school will be comparing information from your application with signed copies of your (and your spouse's, if you are married) **2007** tax forms, W-2 forms or other financial documents. Federal law says your school has the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial documents, your school may need to send in corrections on your Student Aid Report (SAR) and have a new SAR processed.

Try to complete verification as soon as possible so that your financial aid won't be delayed. Your financial aid office will help if you have questions.

WHAT YOU SHOULD DO

1. Collect your (and your spouse's) financial documents (income tax forms, W-2 forms, social security statements, etc.).
2. Talk to your financial aid office if you have questions about completing this worksheet.
3. Fill in and sign the worksheet – you (and your spouse if applicable).
4. Take the completed worksheet and any other documents your school requests to the financial aid office.

Your school must review the requested information, under the financial aid program rules (CFR Title 34, Part 668).
