

**Tennessee Tech University
Tennessee Lottery Scholarship (TLS) Recipients**

Notification for Reinstatement of TLS at Benchmark

Lottery Recipients who lost the scholarship due to grade point requirements can regain the scholarship one time if the recipient has the required 3.0 lottery grade point average at a subsequent benchmark. It is the student's responsibility to notify the lottery scholarship coordinator in Financial Aid, Roaden University Center Room 214, to check the grade point average for the purposes of being reinstated to the TLS program.

Circle the corresponding benchmark for the following:

- I lost the Hope scholarship at the 24, 48, 72, 96 attempted hour benchmark due to not meeting the grade point average requirement.
- I have checked my lottery information on my Eagle online account and it shows that I have reached the 24, 48, 72, 96 attempted hour benchmark with a cumulative lottery GPA of at least a 3.0.

Please reinstate my lottery scholarship. I understand if I lose the scholarship at the next benchmark, I will not be able to receive it again since the legislative changes only allow students to regain the scholarship one time.
