The final payment shall be made only after the Contractor has completely performed its duties under this Agreement.

If the Contractor is a non-resident alien, payment of any portion of the contract from any source will not be made by the University until an Individual Taxpayer Identification Number or Social Security Number has been assigned to the Contractor by the Internal Revenue Service and Immigration Naturalization Service and presented to the University.

5. In no event shall the liability of the University under this contract exceed $13,809.

C. The parties further agree that the following shall be essential terms and conditions of this Agreement.

1. The Contractor warrants that no part of the total contract amount provided herein shall be paid directly or indirectly to any officer or employee of the state of Tennessee as wages, compensation, or gifts in exchange for acting as officer, agent, employee, sub-Contractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Agreement.

2. The parties agree to comply with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Executive Order 11,246, the Americans with Disabilities Act of 1990 and the related regulations to each. Each party assures that it will not discriminate against any individual including, but not limited to, employees or applicants for employment and/or students because of race, religion, creed, color, sex, age, disability, veteran status or national origin.

The parties also agree to take affirmative action to ensure that applicants are employed and that employees are treated during their employment without regard to their race, religion, creed, color, sex, age, disability, veteran status, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection available to employees and applicants for employment.

3. The Contractor, being an independent contractor and not an employee of this University, agrees to carry adequate public liability and other appropriate forms of insurance, to pay all taxes incident hereunto, and otherwise protect and hold the University harmless from any and all liability not specifically provided for in this agreement.
4. The term of this contract shall be January 1, 2008, through March 31, 2008. The University shall have no obligation for services rendered by the Contractor which are performed outside the specified period.

5. This Agreement may be terminated by either party by giving written notice to the other, at least thirty (30) days before the effective date of termination. In that event, the Contractor shall be entitled to receive just and equitable compensation for any satisfactory authorized work completed as of the termination date.

6. If the Contractor fails to fulfill in a timely and proper manner its obligations under this Agreement, or if the Contractor shall violate any of the terms of this Agreement, the University shall have the right to immediately terminate this Agreement and withhold payments in excess of fair compensation for work completed.

Notwithstanding the above, the Contractor shall not be relieved of liability to the University for damages sustained by virtue of any breach of this Agreement by the Contractor.

7. This Agreement may be modified only by written amendment executed by all parties hereto.

8. The Contractor shall maintain documentation for all charges against the University under this Agreement. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Agreement, shall be maintained for a period of three full years from the date of the final payment, and shall be subject to audit, at any reasonable time and upon notice, by the University or the Comptroller of the Treasury, or their duly appointed representatives.

9. The Contractor shall not assign this Agreement or enter into sub-contracts for any of the work described herein without obtaining the prior written approval of the University or Tennessee Board of Regents, as appropriate. Approval shall not be given if the proposed subcontractor was or is currently ineligible to bid on the contract.

10. This Contract is subject to the allotment of state and/or federal funds, and may be null and void unless funds have been appropriated and are available for the purchase of the service or item which forms the basis of the Contract.

11. Prohibition on Hiring Illegal Immigrants.

Tennessee Public Chapter No. 878 of 2006, TCA 12-4-124, requires that Contractor attest in writing that Contractor will not knowingly utilize the services of illegal immigrants in the performance of this Contract and will not knowingly utilize the services of any subcontractor, if permitted under this Contract, who will utilize the services of illegal immigrants in the performance of the Contract. The attestation shall be made on the form, Attestation re Personnel Used in Contract Performance ("the Attestation"), which is attached and hereby incorporated by this reference.
If Contractor is discovered to have breached the Attestation, the Commissioner of Finance and Administration shall declare that the Contractor shall be prohibited from contracting or submitting a bid to any Tennessee Board of Regents institution or any other state entity for a period of one (1) year from the date of discovery of the breach. Contractor may appeal the one (1) year by utilizing an appeals process in the Rules of Finance and Administration, 0620.

In witness whereof, the parties have by their duly authorized representatives set their signatures.
